

St. Paul's Homework and Tutoring Club
Parental Information Form - 2023

The Mary Martha Guild at St. Paul's Lutheran Church has decided to begin an outreach program including homework and tutoring assistance for community children in grades K-12. Community volunteers will be working with the students. The NHS from school and Cadet Student Teachers may also provide help.

This is NOT a babysitting service. Our goal is to assist the school by helping students to improve their schoolwork by providing assistance in homework, skill drills, and tutoring. Students should come prepared to work.

Sessions will be held on Tuesdays at St. Paul's Lutheran Church beginning on January 31. We will start with a time frame of 3:15 - 4:15.

A light snack and water will be provided upon arrival.

Hale Area School will provide a bus to transport students from school for those that need it.

When Hale Area School is closed, the club will be closed.
